Coronavirus Update

November 2020

From Thursday 5th November England will enter a second national lockdown to help prevent the spread of Coronavirus. We are all required to **stay at home** for 4 weeks, with the following exceptions:

- For childcare or education (nurseries, schools and colleges will remain open)
- To go to work, where your workplace remains open and where you cannot work from home
- To exercise outdoors (with your own household or with 1 person from another household - children and other dependents will not count towards the limit on 2 people meeting outside)
- For medical reasons
- To escape injury or harm (including escaping domestic violence)
- Shopping for basic necessities (food, medicine etc) - non essential shops will close but can provide delivery and click and collect services
- To provide care or work as a volunteer

You **must not** meet socially indoors with family or friends, unless they are part of your own household or support bubble (a single adult can form a support bubble with another household and are classed as part of that household).

Leisure facilities (indoor and outdoor) will close as will restaurants, bars and pubs but they can still provide takeaway and delivery services.

Help and Support

If you need any help or support during this difficult time please get in touch. We have a team of volunteers who can help, including:

- Food shopping
- Collecting medication
- Someone to talk to

Please call our **Helpline Number:**

07801 957 541

If there is no answer please leave a message and we will call you back.
