

MILLOM TOWN COUNCIL GDF POSITION STATEMENT

At this stage, Millom Town Council has no preference or position with regard to the location of the GDF locally or nationally but recognises that the community is greatly affected regardless of the final choice of site for a GDF.

Millom Town Council are taking the view that it will be a long process identifying a suitable site for a GDF. It will require a great deal of information which is not currently available and has taken its seat on the South Copeland GDF Community Partnership as part of the Council's engagement strategy on the subject. Ultimately residents will be required to make the final decision regarding the hosting of a GDF locally.
